

Livingston Co, Kentucky

±114.303 acres • \$330,000

This hunting tract has a diverse blend of habitat types and is located in an area known for big bucks! It has an established hunting camp with multiple campers, a spacious yard area, gravel drive and parking area, and county water and electric are already established on site. The farm has the right blend of habitat types to grow, hold and harvest big bucks year after year. There are 17.5+/- tillable acres that provide income and plenty of food for wildlife. Multiple blinds are in place.

- Diverse hunting tract with established hunting camp
- Multiple campers
- 3+/- acres of open ground for food plots
- Dense bedding and security habitat
- Established trail system
